

Godzarmy Discovery [Mauritius]

1. What is the name of your Non-Governmental Organization (NGO) or tool?

Daybreak Academy

2. What is the vision or/and mission of your organization or tool?

The Daybreak academy is a Christian tool (registered Ref.12068 since 14 February 2011) which supports different churches and NGOs by connecting gifted people who serve together to work for the **Unity of Christians** through art, our various gifts and brotherly sharing.

We are serving to develop the **Caring & Linking ministry** within every Christian community, to share resources and work for the **Love & Unity within the Global Church**. We help Christians to know their God-given callings and we encourage & connect those who have the same function within the body of Christ.

Our **VISION** is to have at least one Light-bearer per Christian community (in Mauritius and around the world), appointed by their leaders to help them to better know and take care of the members, to link the whole body of Christ by building relationships through a network of light-bearers and to encourage members to support one another.

Our **GOAL** is that, through this ministry, the world will see the Body of Christ of Mauritius as ONE by **2027**. And all will see the Global Body of Christ by **2030**. NOT by having everybody under ONE denomination, but by linking all those who have the same function within the Body to work together.

3. What are your activities? Events?

TRAINING:

- **CREATIVE WORKSHOPS** – different artists/ trainers come together and organize artistic/ creative workshops to give the opportunity to people to discover/ develop their gifts and talents.
- **ACADEMY** – gathering of volunteers (trainers) or other organizations that can develop various gifts & talents on a regular basis to help everybody to better serve God through them.

INREACH:

- **EKLEZIA** – a Journey for a community or a group of people serving together in order to get to know each other better, to move into one accord in ministry, create a common vision and share tasks efficiently.
- **S.H.A.P.E.** (Spiritual gifts, Heart, Abilities, Personality and Experiences) – an Assessment for Christians to better know themselves and for Christian communities to take care, encourage & support their members to develop their God-given gifts & talents and, if necessary, link them with those who have the same heart to better serve together. Through this we help people to discover who God made them to be and help leaders to better know God-given resources within their communities. We make the census (through the **Individual forms** we provide) of all those resources and share them within the Body of Christ to ensure that nobody lacks anything.
- **LOVE ACTIONS** - weekly examples of LOVE actions that we can all do as ONE body in Christ. LOVE Day (7th of February) to encourage Christians to be living communities everywhere God has put them (in their families, locality, work, colleges, universities, activities, etc.), to **KNOW** the people they **MEET** every day and to be witnesses of LOVE by serving their communities without denominational barriers.
- **FAMILY NEWS** - we keep Christians updated about positive actions moving towards the Love & Unity within Christ's Body through various articles written by our light-bearers.

LIGHT-BEARERS MEETING:

The light-bearers serve first of all within their Christian community (church or organization) and are accountable to their leadership. For them we have:

- **Informal LOCAL GATHERINGS** - fellowships to know what is going in our localities to better support one another (1 Thessalonians 5:11).
- **Three REGIONAL GATHERINGS** and one **NATIONAL GATHERING** per year - an opportunity to share about the new tools & resources God gave us and about activities we are planning to do. Light-bearers are the links between Christian communities (churches and organizations) to encourage on-going projects that they can do together on the long-run and share God-given resources.
- **The MANAGING COMMITTEE** - who meets to develop and manage the Unity mission through Networking, IN Reach and Trainings.

NETWORK:

The 'Network' where we encourage as many individuals and organizations as possible to register in the database and share their vision/mission, gifts and talents to be able to link them afterwards to better serve together. To do this, we have:

- **DAYBREAK Network** - where people, after having a Light-bearer attached to them, can register through their Google address to share their vision/mission, gifts and talents to be available resources for God's Kingdom.
- **LIGHT-BEARERS Network** - where those who are called and appointed by their leaders for the Caring & Linking Ministry can register and have access to Daybreak's database.
- **GODZARMY Discovery** - where people can come and discover the various organizations (tools) and churches by discovering their vision/ mission, activities, resources, needs and contacts.

- **COMMON CALENDAR** - to know about every project and event of Godzarmy (Organizations & Churches) throughout the year in your region.

We also organize and support events throughout the year to give the opportunity to Christians from all denominations to meet, discover, share, help each other, serve together and realize the importance of Love & Unity in the Body of Christ.
